## Safeguarding Children, Young People and Vulnerable Adults<sup>1</sup> Policy

Haverstock Fencing Club recognises its responsibility for the care, welfare and safety for the children, young people and vulnerable adults in its charge and values individuals for their unique talents and abilities. We aim to provide a caring, supportive and safe environment, in which all can learn and develop to their full potential.

Information given to our coaches and Welfare Officer about possible abuse of children, young people or vulnerable adults cannot be held in confidence. In the interests of the individual, our coaches and Welfare Officer may need to share this information with childcare professionals, parents or guardians or the police. However only those who need to know will be told.

All our coaches working with children and vulnerable adults will hold the appropriate fencing qualification or have equivalent experience, be CRB checked and will have attended a safeguarding course.
